FOLD

cdlabelgen 4.1.0 © 2001−2008 Avinash Chopde <avinash@aczoom.com>

home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

## Jane Austen

Persuasion

Anne Elliott, Jane Austen’s only aging heroine, has devoted her life to caring for her financially irresponsible family. Just when she is growing content with her uneventful lifestyle, a long−lost flame re−enters the picture − now as the beau of her significantly younger cousin. Anne is now faced with a choice: will she watch Captain Wentworth settle into life with another woman, or will she strive to win back his love and escape her family? (Summary by Kirsten Ferreri)
